Multiple Agency & CO-OP	\$3M

General Scope Description:

The OEM Printer Supplies and Services under this contract shall include the actual manufacturer's product and all labor, materials, transportation, equipment and other activities for, and reasonably incidental to the installation, and configuration of the OEM products. Contractor(s) shall be able to provide multiple manufacturer lines within each category, laser and inkjet.

Summary of Results:

The intention is to architect a new business model for the State with an Incentivized Partners who can deliver multiple services at one stop platform. State savings will come purchasing from existing assortment of Office Supply contracts. The following NASPO value point office supply contracts will now service OEM printer supplies (Laser and Ink) for purchase. Annualized savings to the state for the OEM printer supplies transition is estimated at 15%.
